

Critical Infrastructure Sub Panel

July 9, 2008

**Harrisonburg-Rockingham Emergency
Communications Center**

10:00pm-3:00pm

Welcoming Remarks

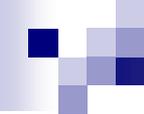

John Knapp, Chair

**Critical Infrastructure Sub
Panel**

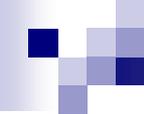

Objectives of the Sub Panel

- Review and recommend strategies that will facilitate the timely creation of a Virginia Infrastructure Protection Plan (VIPP).
- Evaluate the draft VIPP for its overall effectiveness and compatibility with the National Infrastructure Protection Plan and the plans of other geographic areas such as the National Capital Region and adjacent states.
- Identify challenges to implementation of the VIPP and develop strategies and advocacy to assist, with particular emphasis on facilitating private sector preparedness and communication with other affected stakeholders.
- Monitor and assess implementation of the Plan and recommend changes as necessary.

Virginia Plan
