

# Critical Infrastructure Sub Panel

**December 10, 2008**

**Cabinet Conference Room**

**10:00pm-3:00pm**

# Welcoming Remarks

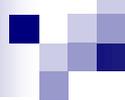

**John Knapp, Chair**

**Critical Infrastructure Sub  
Panel**

# Objectives of the Sub Panel

- Review and recommend strategies that will facilitate the timely creation of a Virginia Infrastructure Protection Plan (VIPP).
- Evaluate the draft VIPP for its overall effectiveness and compatibility with the National Infrastructure Protection Plan and the plans of other geographic areas such as the National Capital Region and adjacent states.
- Identify challenges to implementation of the VIPP and develop strategies and advocacy to assist, with particular emphasis on facilitating private sector preparedness and communication with other affected stakeholders.
- Monitor and assess implementation of the Plan and recommend changes as necessary.

# Virginia Plan

- Virginia Critical Infrastructure Protection and Resiliency Strategic Plan
- Cabinet Approval Completed—OCP Website

# OCP Implementation and Performance Plan (Lead/Co-Lead/Task/Event/Completion Date)

# Consulting Role

- Consultants have been brought into the VA Plan implementation process and are being paid for by DHS grants at no cost to the Commonwealth.
- Their role will be to assist OCP and state agencies in the oversight of the development of the Sector Specific Plans.
